LINKING LEARNING AND THE ARTS

Quality arts education empowers young people to imagine, build new skills, and act on their capabilities—important tools for students to navigate their futures. For over 40 years, ArtsConnection has provided comprehensive arts education for NYC public school students across the five boroughs through programming in 100+ schools, as well as through out-of-school-time programs that engage teens in exploring pathways to careers in the creative industries.

Invest in young people today.
Help them navigate their futures tomorrow.

The background is a deep red color. It is decorated with numerous small, irregular gold-colored shapes that resemble confetti or torn paper, scattered across the entire surface. There are also several large, semi-transparent, overlapping circles in a darker shade of red, creating a layered effect.

CONGRATULATIONS ARTSCONNECTION

for all your hard work on behalf of arts education and the students of New York City.
