

In School Programs Assistant (Hybrid, Part-time Temporary)

About the Organization:

For over 45 years ArtsConnection (AC) has been one of New York City's most comprehensive arts education organizations with programs in the performing, visual, and media arts. We provide arts education that taps into students' individuality and creativity to help them forge new pathways in their education while building critical thinking, creative problem solving, heightened self-esteem, literacy, and strong communication abilities. Programs are led by over 100 racially, ethnically and culturally diverse teaching artists whose distinctive and varied artistic perspectives inspire, guide and support students. Each year, AC partners with over 70 NYC public schools (grades pre-K through 12) across the five boroughs, providing artist residencies, professional development for teachers and artists, and family arts events under our *Joyful and Liberatory Arts Environment* Framework, encouraging student autonomy through the artistic process. Out-of-school-time (OST) Teen Programs link the city's cultural resources to the developmental and educational needs of teens, while providing space for artistic expression, experiential learning, career and leadership development. Our work, while rooted in New York City, has been an award-winning and sought-after model on a national scale.
